About

WHY ATTEND BIOSPAIN 2010?

Spain represents more than 2.1% of the world's total GDP, with a modern knowledge-based economy that is supported by a young, highly qualified workforce. Spain is fast becoming a leader in innovation, generating advanced solutions in the biotechnological industry.

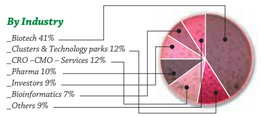
BIOSPAIN 2010 combines conferences, business meetings, scientific sessions and networking events to facilitate contacts between national and international companies, institutions and research centers in the field of biotechnology and related fields.

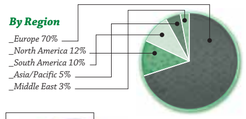
Your company or institution will gain instant access to the entire Spanish biotech sector by attending Biospain 2010. In addition to the expected 500 companies & institutions from Spain, Biospain 2010 will feature several international delegations from Europe, North America, Latin America & Asia.

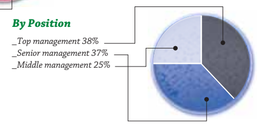
BIOSPAIN 2008 RESULTS

- *1,500 attendees*
- *Over 520 companies at the partnering event*
- *28 countries represented*
- *120 exhibitors*
- *14 scientific lectures*
- *30 company presentations at the Investment Forum*

Profile of participants (based on Biospain 2008)







Plenary Sessions

- ***September 29, 2010* Mr. Carlos Cordón - Cardo**
  Vice-Chair of Pathology & Professor, Columbia University
- ***September 30, 2010* Mr. Larry Fritz**
  President & CEO, Covella Pharmaceuticals Inc.
  Life Science Venture Partner, Westfield Capital Management Company LP
- ***October 1, 2010* Mr. Conny Bogentoft**
  CEO Karolinska Development AB

Breakout Sessions

BIOSPAIN 2010 will feature an extensive program of breakout sessions addressing the most relevant topics in the current biotech scenario.

Confirmed Breakout sessions will include:

- *Bioenergy*
- *Orphan Drugs & Rare Diseases*
- *Alzheimer and other neurodegenerative diseases: "What is the Spanish industry doing to develop new drugs?"*
- *Protein Production & Biosimilars*
- *Bioinformatics solutions for genomics: from sequences to Biotechnology and Biomedicine*
- *Alternative Equity Market for Growth Companies*
- *Venture Capital*
- *Biotech's Next Big Thing?*
- *Joint Technology Cooperation Projects between Spain and other countries: Eureka & Canadeka*
- *Biotech in USA*
- *Infoday FP7*
- *Health and Food*

International Round Table: "Opportunities & Challenges of the Global Biomarkets"

A high level round table will be held on September 30, 2010. The main goal of this round table is to discuss the current status of the biotech industry, its progress and future directions.Confirmed Speakers:

Mr. Andrea Rappagliossi, President EuropaBio
Mrs. Anna Lavalle, CEO Ausbiotech
Mr. Albert Sasson, President BioEuroLatina
Other speakers to be confirmed soon.

TRADE EXHIBITION
+ 150 companies featured
PARTNERING EVENT
+ 600 Spanish & international companies
+ 1,000 delegates
SCIENTIFIC CONGRESS
14 scientific sessions
INVESTMENT FORUM
30 company presentations
PLENARY SESSIONS
3 world class speakers
BREAKOUT SESSIONS
14 conferences

PRELIMINARY PROGRAM

WEDNESDAY, 29 SEPTEMBER 2010

TIME	BIOTEC 2010 SCIENTIFIC CONGRESS		PARTNERING	INVESTMENT FORUM		BREAKOUT SESSIONS
8.00am 9.00am	DOOR OPENING & REGISTRATION					
9.00am 9.30am	WELCOME SESSION & WELCOME New Participants					
9.30am 10.00am	New Therapeutic Challenges & Advanced Therapies	Methabolic Engineering & New Products	one-to-one meetings			
10.00am 10.30am						
10.30am 11.00am						
11.00am 11.30am						
11.30am 12.00am	BIOSPAIN OPENING CEREMONY (Main Auditorium)
